

# GERGACZ WINS FIRST FOR CITY RAG; SCORE 2-0

Brilliant Pitching of Moore Factor in Defeat of Hoosier Creams—Whiffs 13 and Grants Two Hits.

The J. Gergacz baseball team won the first contest for the city championship, from the Hoosier Creams, defeating them by a score of 2 to 0, Sunday afternoon at Springbrook park.

The game was fast throughout and several good fielding plays kept enthusiasm high.

Moore, the Gergacz twirler, deserves most of the credit for winning the contest, as he pitched superb ball, allowing the losers but two hits, and promptly stole second, and scored a moment later when Vargo, hit to Evers, who juggled the ball, and then pegged wild to first, allowing Connors to count. Vargo stole second, but was directly responsible for one of the runs of the victors.

Vargo Clouting Star.

Vargo was the clouting star for the afternoon. In three trips to the plate, he secured two hits, stole two bases and crossed the counting pan once.

The game started out to be a pitchers' battle and for six innings but one clout off each twirler was the total of the safeties gathered by the opposing sluggers.

The Gergacz scored their first run in the fourth inning. Green first made up, was safe on Evers' error, but was forced at second by Pierce. Pierce also did by the force-out route when Connors hit to Evers who tossed the ball to second for the out. Connors promptly stole second, and scored a moment later when Vargo, hit to Evers, who juggled the ball, and then pegged wild to first, allowing Connors to count. Vargo stole second, but was directly responsible for one of the runs of the victors.

Vargo Doubled.

In the second frame Vargo singled to left but was doubled off first when Wiese popped to Young who tossed to White completing the play.

In the third, with one man down, Thompson walked but for six innings but one clout off each twirler was the total of the safeties gathered by the opposing sluggers.

Young, second man up for the Hoosiers, in the third, beat out a ball down the third base line, but stopped at the first corner while Touhey struck out, and Evers grounded to second.

Klaybor singled to center in the seventh, took second when Kale walked, but was forced at third when Welchance hit to Moore. Young was safe on Connors' error and both runners advanced a base on the play. Kale stopped at third while Young occupied the keystone. Touhey was unable to hit the ball past the infield and was tossed out at first by Green, closing the inning. This was the last chance the Hoosiers had to score.

Gergacz added their final counter in the seventh, when Vargo singled, stole second and scored on Wiese's single to right.

Blame Accident.

The Hoosier Creams lay their defeat primarily to an accident which happened while they were on their way to the park. The big truck on which they were riding, turned a corner at full speed, and the weight of the players was thrown against a side board, to the street. Several players and one or two others received painful but not severe injuries. This little accident unnerved the team and seemed to affect their playing.

Two more games are scheduled to be played but should the Gergacz win next Sunday's encounter, the third game will probably be canceled. The score:

CHICAGO, Sept. 8.—Chicago made a total of 39 bases on 17 hits against St. Louis in a double-header Sunday and won both games by scores of 4 to 1 and 7 to 1, respectively.

In the first game, Smith was invincible and the visitors failed to get a hit until the seventh when he weakened and allowed two singles. He was replaced by Cheney in the next inning on account of the hot sun. Chicago gathered a total of seven hits, two of which were homers by Schulte, triples by Archer and Saler and doubles by Phelan and Zimmerman. Pierce held Manager Zimmer's men to seven scattered hits in the second game while his teammates touched Griner for 10 which included a homer by Saler, triples by Zimmerman, Saler and Bridwell and a double by Evers. However, Pierce was in several holes and three lightning double plays pulled him out of danger.

# Rivals in Great World's Series

THE MEN WHO DIRECT THE DEFENSE WHEN ATHLETICS AND GIANTS CLASH. ON THE LEFT, CHIEF MEYERS; ON THE RIGHT, SCHANG, CALLED THE BEST YOUNG CATCHER THAT THE MAJOR LEAGUES EVER CONTAINED.

The brain behind the mask may decide the baseball championship of the world this year.

For the Giants, Chief Meyers will do most of the catching, while the youthful Schang will do the catching for the Athletics.

Meyers, great batter last year and in 1911 has the benefit of two world's series. Schang is a first-year backstop, but baseball has never known

better.

Schang has the edge on the Indian in many matters and can be depended upon to play Connie Mack's game—a game wherein a brilliant move may be looked for at any time.

Although not so capable of initiative Meyers is steady, dangerous at bat, a splendid thrower, a good blocker and a wonderful help to a faltering pitcher.

DETROIT, Sept. 8.—Terry Turner was the mountain which Detroit could not surmount Sunday and Cleveland downed the Tigers, 6 to 4. Leaping into the air, going down into the dirt, to his left and behind the bag, the "cotton topped" third baseman of the visitors broke up four Detroit rallies, knocked in one run, scored two himself and pounded out a double and two singles.

Cleveland scored in the first inning and an infield out helped Detroit to tie. In the fourth doubles by Laojie and Turner and Graney's single, gave the Naps two runs. Four hits in the sixth added two more. Detroit made two tallies in their half of the sixth on hits by Bush, Vitt and Cobb, a pass to Crawford and an infield out. The grounder in the eighth brought Cobb home with Detroit's final run. In the ninth Cleveland made victory certain when O'Neil walked, advanced on an out and scored on Chapman's single. Cobb held one hit and Jack-son failing to reach first base in five attempts.

There is no evidence of foul play and as Clemens was a sufferer from heart failure, it is supposed he fell unnoticed during a seizure and rolled to the bottom of the ravine.

# VETERAN AUTO MAN GETS HIGH PLACE

Frank E. Smith Elected Vice President of American Motors Co. and in Charge of Production.

INDIANAPOLIS, Ind., Sept. 8.—Announcement has just been made of the election of Frank E. Smith, formerly of the Maxwell-Briscoe Co. of New Castle, as vice president of the American Motors Co., in direct charge of production.

Mr. Smith is probably one of the most experienced and best informed men in the automobile industry and his connection with the American Motors Co. is in keeping with Mr. Handley's well defined plans of specific concentration and efficiency.

He comes direct to the American Motors Co. from the largest automobile factory in the middle west. The great efficiency of the New Castle plant under Mr. Smith's regime is well known and recognized by the automobile trade throughout the country. For four years he had full charge of this plant, which was the largest controlled by the United States Motor Co. and when the parent concern became financially involved he was, at the instance of the stockholders, creditors, and officers of the old company, appointed receiver in charge of its operations.

During the five months of this receivership the New Castle plant showed a handsome profit, standing alone in this regard as compared to any of the other plants of the United States motor group.

He is well known to Indiana manufacturers and dealers as first president of the Indiana Automobile Manufacturers' association. In fact Mr. Smith really formed this organization at the completion of the first Four States tour, the first tour of this kind ever pulled off, in which he was the moving spirit. It was his indefatigable energy that made this tour a great success and established a precedent for the two following.

Mr. Smith is a native of Providence, R. I., and his first experience in high grade and accurate machinery building was with the old Rhode Island locomotive works of Providence.

He was connected with this company for several years previous to the time of the organization of the American Locomotive Co., which resulted in the consolidation of the Rhode Island Locomotive works and a number of other locomotive and engine works throughout the east.

# BLACK SOX CLOSE SEASON AS CHAMPS WITH TWO WINS

Defeat Terre Haute 11-1 and 5-1—Ed Smith Maintains Record of no Defeats on Home Grounds.

GRAND RAPIDS, Mich., Sept. 8.—The new Central league champions Sunday wound up the season by taking both halves of a double header from Terre Haute by scores of 11 to 1 and 5 to 1.

"Cy" Alberts was hammered hard in the first engagement and the black sox batting averages were fattened some more in the second contest at the expense of Cantwell. Manager Ed Smith hurried the first game for the home team, easily maintaining his record of no defeats on the home grounds this season. Liefers, a right crut, pitching his second professional game, had an easy time of it in the second. Scores:

First game:  
Grand Rapids 004 041 02—11 14 0  
Terre Haute 000 000 010—1 8 0  
Smith and McGraw; Alberts and Hargrove.

Second game:  
Grand Rapids 102 010 01—5 12 3  
Terre Haute ..... 000 100 000—1 8 3  
Liefers and Lake; Cantwell and Hargrove. Umpire—Groeschow.

LOOK FOR EIGHT CLUBS.  
FORT WAYNE, Ind., Sept. 8.—The team representing Grand Rapids, one of the best class B ball cities in the country, carries off the pennant in the Central league for the season of 1913 which closed with Sunday's games. Grand Rapids held the lead all the way after the first two weeks play and clinched the championship almost a month ago. Fort Wayne, the champions of 1912, finished in the runner up position. The season of 1913 marked the tryout of a six club circuit after the Central had labored along with 12 clubs in 1912. As a whole the scheme was a success although there is little doubt but that the organization will be increased to an eight club affair before another summer drifts around. The reign of Louis Heilbroner of this city, as president of the league was a decided success. For the first time in the history of the circuit not a club finished in debt while with one or two exceptions all cleared some money.

If you have stomach or bowel trouble, heart, liver or kidney disease, Hollister's Rocky Mountain Tea will do you more good, in less time, than any other remedy—because it restores natural conditions. At all druggists, 35c. Cooney Drug Store, Advt.
